Ground Floor

Entering the property, you're welcomed into a practical entrance hall with stairs rising to the first floor. Off the hallway is a useful cloakroom/utility space, fitted with a WC, wash basin and plumbing for a washing machine. To the front of the property, the sitting room offers a comfortable space with a feature fireplace and leads through to a well-proportioned kitchen/diner, which benefits from a built-in storage cupboard. The kitchen is fitted with a range of base and wall units and includes a 1.5 composite sink, oven with gas hob and extractor and space for a freestanding fridge/freezer. The gas-fired combi boiler is also located here. Adjoining the kitchen is a conservatory, providing an additional reception space with French UPVC doors opening out to the rear garden.

First Floor

On the first floor, you will find three well-proportioned bedrooms. The master bedroom features its own en-suite bathroom and two built-in double wardrobes, providing ample storage. The family bathroom includes a shower over the bath, WC, and wash basin, offering practical facilities for the household.

Outside

To the front, there is a driveway providing off-road parking that leads to a converted garage, fitted with lighting and power, offering flexible use. The original garage door is still in place, allowing it to be reinstated as a functional garage if needed. A paved walkway leads to the front door and continues to a side gate for easy access to the rear. The garden is private and not overlooked, mainly laid to lawn with a raised border alongside a paved seating area.
