THE DWELLING

Believed to date back to circa 1990, this three bedroom detached house is situated in the heart of Shipton Gorge and benefits from a garage, driveway and a generous rear garden. Although a well-loved home over the years, the property would now benefit from modernisation throughout and is offered for sale with no onward chain.

ACCOMMODATION

The property is conventionally arranged around an entrance hallway with a cloakroom. The living room is to the front, with a focal point of a feature fireplace equipped with a woodburning stove. The dining room is accessed off here, with sliding doors onto the paved terrace and a serving hatch into the kitchen. The kitchen is fitted with a range of wall and base units with space for appliances.

Upstairs are three bedrooms, two of which are generous doubles with built-in wardrobes. The rooms to the rear have a pleasant outlook over the rear garden. These rooms are served by a family shower room fitted with a white suite.

OUTSIDE

Immediately adjoining the property to the rear is a paved terrace ideal for al fresco dining. Steps lead up to the main body of the garden which would benefit from clearing and

landscaping but is generous in size. The garden leads up a slope which enjoys views at the top. To the side is a garage with storage above and parking in front. The property is set back from the road with a pretty front garden with mature shrubs and plants.

SITUATION

The property lies in the heart of the popular village of Shipton Gorge, which is part of the Bride Valley villages. The village has an active community with pub, church, village hall, village society, walking group etc. Shipton Gorge is just a couple of miles from the World Heritage Site Jurassic coastline and beaches at Burton Bradstock and West Bay. Nearby Bridport has a history of rope-making and offers a variety of independent shops, supermarkets, public houses and restaurants, conveniently placed for Dorchester and Weymouth to the east and Axminster to the west, transport links are good along the A35 and mainline stations at Maiden Newton, Dorchester, Axminster and Crewkerne.
