Close by there are many routes in and around the area to truly enjoy fresh air and the sights and sounds of the countryside. Daventry Country Park and the Drayton Reservoir are also within close proximity.

Outside

The front garden is mainly laid with gravel, with a concrete path leading from the public footpath straight to the front door — simple, tidy, and easy to maintain.

The rear garden is tiered and features a paved patio seating area. Gravel areas keep maintenance low, and a paved footpath leads to the back gated access. There's also a useful brick-built store shed. Enclosed by fence panels, the garden offers good privacy and a practical outdoor space.

Ground Floor

Entering the property through a UPVC front door, you're welcomed into a practical entrance porch that leads into the main hallway, providing access to all key ground floor rooms, including a downstairs cloakroom, a useful under-stairs room offering extra storage, and stairs to the first floor. The fitted kitchen offers a good range of base and wall units, a 1.5 stainless steel sink, electric oven, and hot plate hob. There's space and plumbing for a dishwasher, washing machine, and tumble dryer, as well as room for a freestanding fridge/freezer. The gas-fired boiler is also located here. French doors from the kitchen lead into a spacious open-plan lounge/diner — ideal for everyday living and entertaining. This area opens into the conservatory, which enjoys views over the rear garden and has direct access outside.

First Floor

The first floor offers three well-proportioned and spacious bedrooms, with the master bedroom enjoying a smartly refitted en-suite featuring a shower-over-bath, WC, and wash basin. A recently updated family bathroom includes a modern standing shower, WC, and wash basin. There's also a handy additional room—ideal for use as a nursery, home office, or study.
